

We are a winner for the DHL - CNBC-TV18 International Trade Awards 2010-11, powered by ICRA. These pioneering Awards felicitate the growing tribe of exporters who are acting as our country's unofficial brand ambassadors.

CNBC-TV18 in partnership with DHL had jointly instituted the **INTERNATIONAL TRADE AWARDS in 2006**. These awards are a path breaking initiative that honour the community that has not only built Forex reserves for the country, but also made India the new world trade hub. The market leaders and institutions in the import and export industry have made a significant contribution to international trade facilitation in India. As we re-launch the DHL and CNBC TV - 18 International Trade Awards 2010-2011, our sole aim is to recognize innovation and excellence demonstrated by service providers of this sector.

The winners of the **International Trade Awards** have been selected after an extensive multi-stage selection process powered by ICRA, India's most credible research and rating house. The initial stages of the selection process involved short-listing of India's best businesses using quantitative techniques. The final winners were chosen on the basis of quantitative and qualitative criteria, as decided by ICRA.

The DHL - CNBC TV18 International Trade Awards 2010-11 will be held on the 29th of September 2011 at The Trident, Regal Room, Nariman Point, 5:00pm onwards
