## INDEPENDENT AUDITORS' REVIEW REPORT TO THE BOARD OF DIRECTORS OF ALOK INDUSTRIES LIMITED

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **ALOK INDUSTRIES LIMITED** ("the Company") for the Quarter and Fifteen Months ended December 31, 2014 ("the Statement"), being submitted by the Company pursuant to the requirement of Clause 41 of the Listing Agreements with the Stock Exchanges, except for the disclosures in Part II - Select Information referred to in paragraph 4 below. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
3. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the Accounting Standards specified under the Companies Act, 1956 (which are deemed to be applicable as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014) and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. Further, we also report that we have traced the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of shares pledged/encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreements with the Stock Exchanges and the particulars relating to investor complaints disclosed in Part II - Select Information for the Quarter and Fifteen Months Ended December 31, 2014 of the Statement, from the details furnished by the Management/Registrars.

3 Considering the high level of International operations and present internal financial reporting, the Company has identified geographical segment as its primary segment and business segment as its secondary segment. The company is operating in a single business segment i.e. Textile and as such all business activities revolve around the segment.

The geographical segment consists of domestic sales and export sales. Revenue directly attributable to segments is accordingly reported. Since the resources/services/assets are used interchangeably within these segments, it is not practical to allocate segment expenses, assets (except debtors) or liabilities contracted, to these segments. Accordingly, no disclosure relating to the same is made.
